

Part of living on Marco Island, is enjoying the culture and lifestyle this island offers. Marco is more than just another Florida community. The island is bathed in sunshine year round, cooled by crisp gulf breezes and refreshed with tropical rains that add to the natural vibrancy of the environment. Here, life's pace is a little slower, the people a little friendlier and whether you're looking for waterfront or golf course properties, year round residency or a vacation home, Marco Island "And Beyond" has something for everyone.

Mike and Bobbie Confer came here for this reason and it's why they are so proud to be able to bring their unique services to people from all walks of life and from all around the world. As real estate professionals, they see themselves as "lifestyle specialists" with a unique ability to introduce clients to the island lifestyle that fits their personality always keeping in mind the importance of selecting a sound investment as well. Discovering your personality and then finding the appropriate community is what's important to Mike and Bobbie.

The Confers are Previews International Property Specialists, Resort Property Specialists, Senior Sales Associates, CRS, GRI, CSP Licensed, full time resident Marco Island REALTORS with experience both on Marco Island and formerly Long Island, New York.

The purchase or sale of real estate in a highly dynamic and often unfamiliar market over great distances can be either cumbersome and difficult or "Real Easy". Clients from across the country, South America and Europe know we do our best to make it "Real Easy".

Mike and Bobbie's diversified backgrounds in the financial services industry for nearly 20 years each and over 3 decades combined experience in the real estate industry provide them with enhanced awareness to both the needs and concerns of buyers and sellers of real estate. Daily review of market events and expanded communication capabilities allow them to keep clients apprised of any new developments affecting their interests on a timely basis.

More than 70% of the couple's business comes from past clients and referrals, a true measure of success. The couple's affiliation with Coldwell Banker allows them to provide their clients with one-stop shopping and a variety of value-added programs and services. Both Mike and Bobbie are active in the community through the Marco Island Chamber of Commerce, Hideaway Beach Association and yacht clubs. In their spare time, Mike and Bobbie enjoy boating, golfing, gardening and cooking.

When buying or selling a home in the Marco Island area you deserve a team of Realtors who will take the time to listen, find out what's important to you and put your interests first. If you're considering buying or selling, please share your goals with Mike and Bobbie Confer and they'll share their experience, hard work and success with you.
